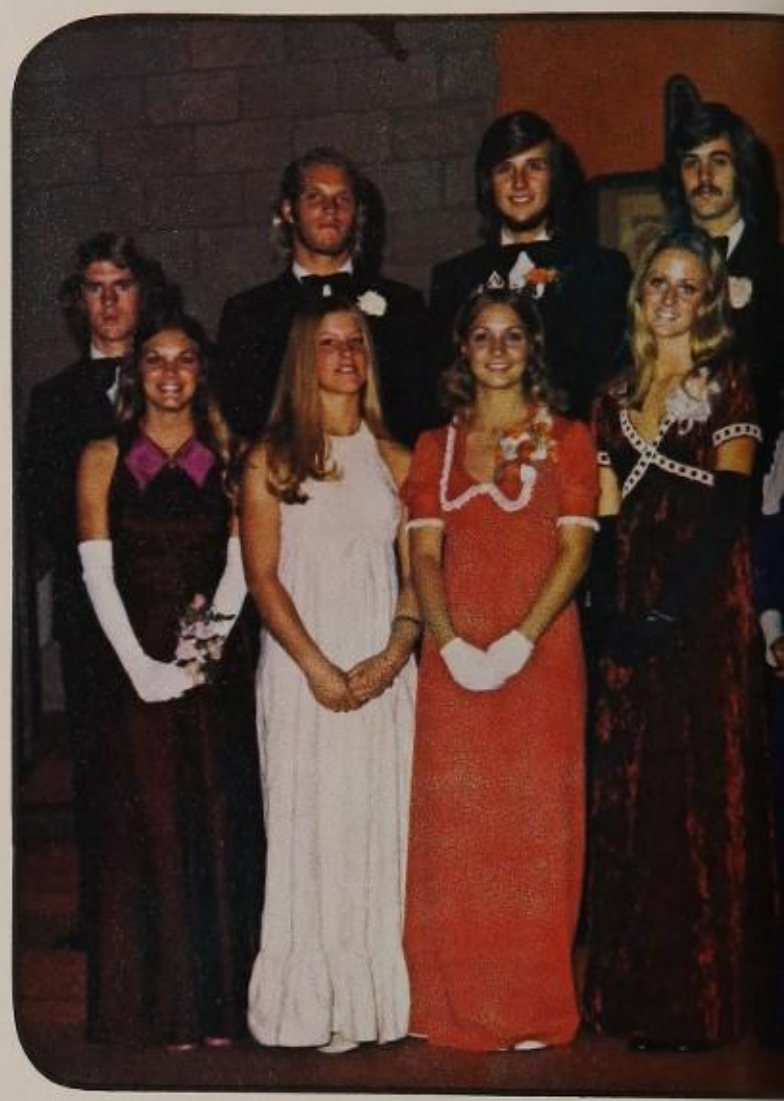
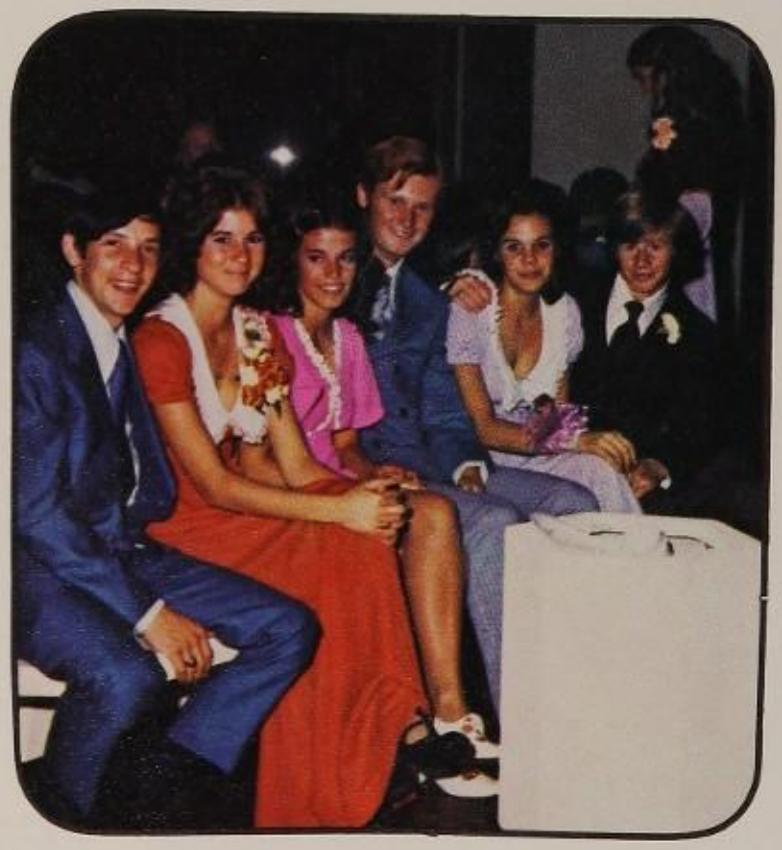
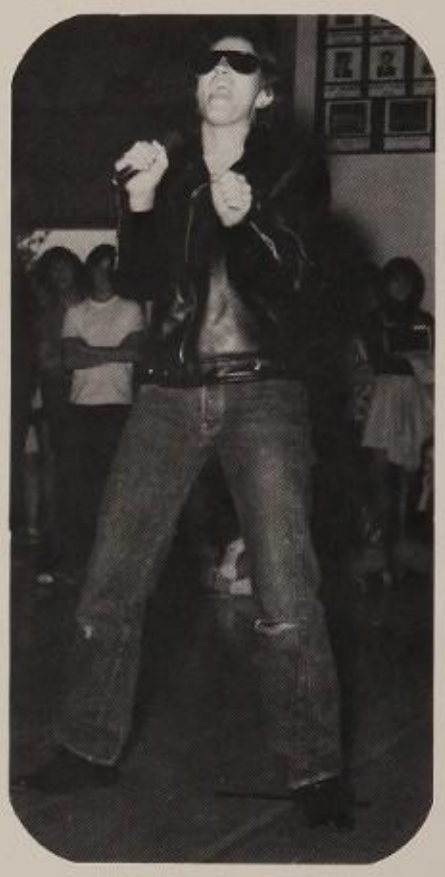
my
life
has been
a tapestry
of rich and
royal hue





The world is so full of a number of things: we all should be just as happy as a "queen"!

an everlasting vision of the everchanging view



The sun also rises
And the sun goeth down.
The wind goeth toward the south,
and turneth about unto the north.
All the rivers run into the sea
Yet the sea is not full.
Unto the place
Whence the rivers come,
Thither they return again.
The thing that hath been
Is that which shall be
And there is no new thing
Under the sun.

Ecclesiastes 1

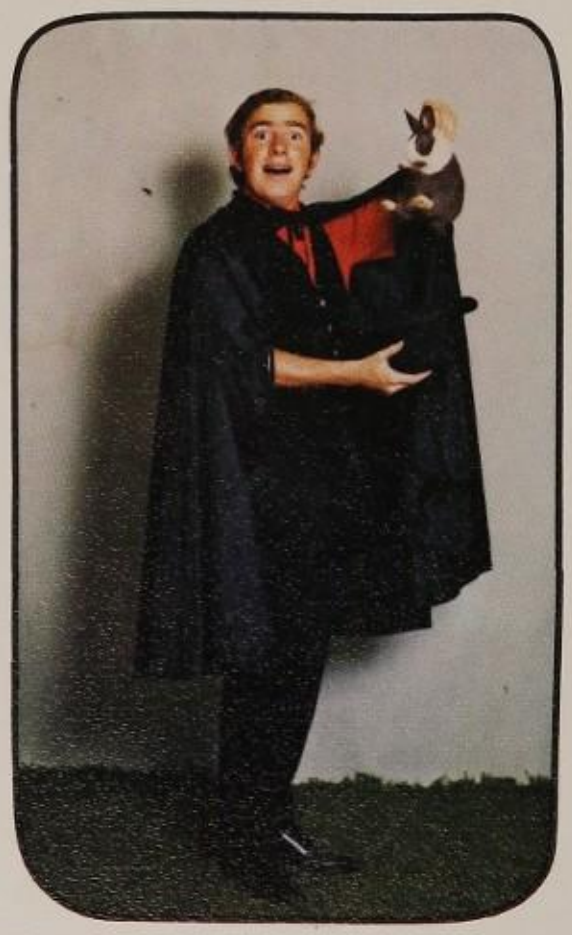
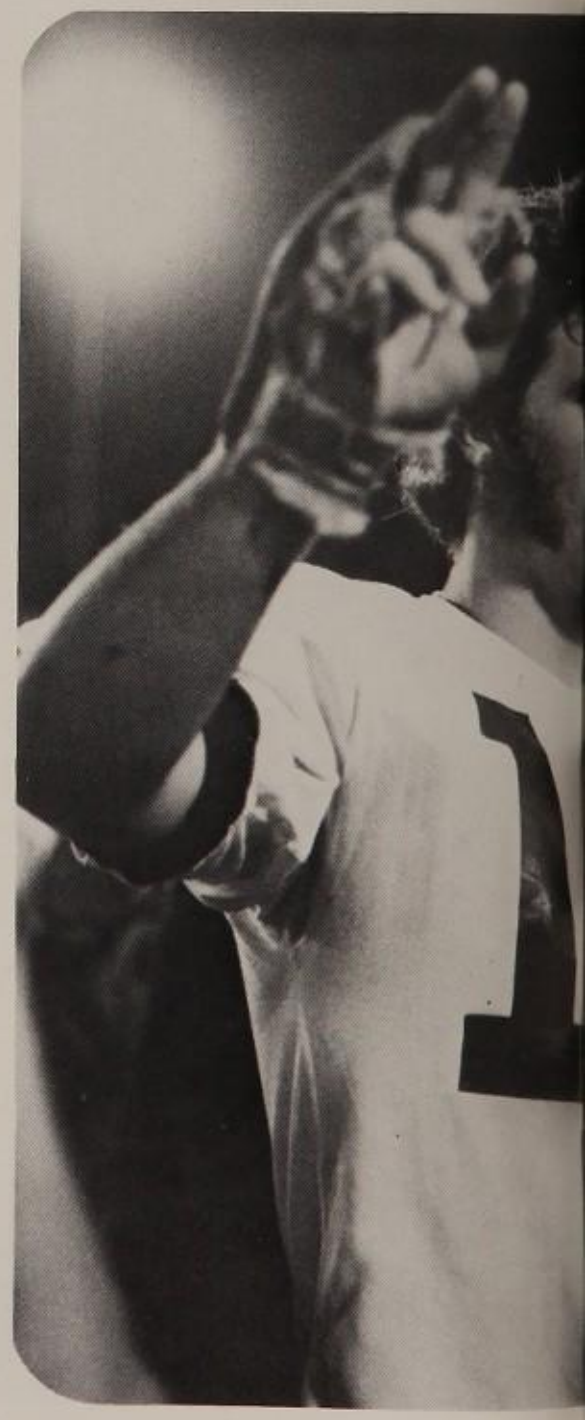
A WONDROUS WOVEN MAGIC IN BITS OF (RED) BLUE AND GOLD



Harmony and understanding
Sympathy and trust abounding
No more falsehoods or derisions
Golden Living dreams of visions
Mystic crystal revelation
and the mind's true liberation. . . .
Aquarius, Aquarius

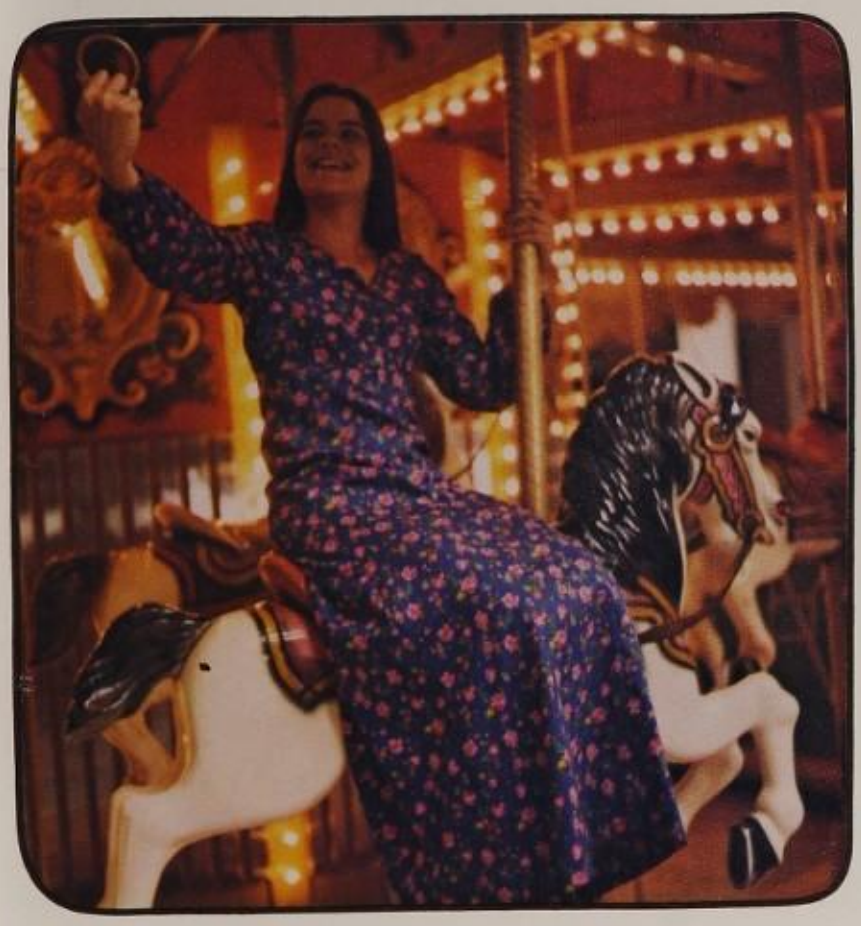


a tapestry to feel and see

Oh, I'm on my way, I know I am
Somewhere not so far from here
All I know is all I feel right now
I feel a power growing in my head
Sitting out alone all by myself
Everybody's here with me
I don't need to touch your face to know
I don't need to use my eyes to see.

Cat Stevens

impossible to hold?



Here is my song for the asking
Ask me and I will play
So sweetly, I'll make you smile
This is my tune for the taking
Take it, don't turn away
I've been waiting all my life
Thinking it over, I've been sad
Thinking it over, I'd be more than glad
To change my ways for the asking
Ask me and I will play
All the love that I hold inside

"Without Tradition (1) our lives would be as shaky as a "Fiddler on the Roof" ... Mendel asks the Rabbi (2) if there is a blessing for the Czar?!... Yente and Golde discuss "the perfect match" for Tzeitel (3) ... Candlelight Sabbat supper brings the family together for "Sabbath Prayer" (4) ... Golde flees from the frightful apparition of Fruma-Sarah (7), in a dream concocted by Tevye to have her approve Tzeitel's marriage to Motel... Perchik attempts to teach Shprintze and Bielke never to trust an employer (8) ...

"Fiddler on the Roof" was F.V.H.S.' largest production to date and was the result of the combined cooperation and effort of hundreds. It would take far more than four pages however, to thank and acknowledge each and every person that contributed their time and effort in the production of this fabulous play.

Thanks and congratulations go to: the members of THE CAST, THE CHORUS, and THE DANCERS, who spent countless hours rehearsing, and succeeded in portraying the spirit and enthusiasm of the townspeople of Anatevka; the members of THE ORCHESTRA, whose hardwork and fantastic music truly brought the play to life; the PLAY PRODUCTION CLASS; and to all the people who worked on the SET CREW, LIGHTS, COSTUMES, MAKE-UP, and PUBLICITY for the play.

Special thanks go to all the faculty members and people in the community who contributed their variety of services to the play. Last but not least, a very special thanks go to MR. MARK WOOD, the Producer-Director, MR. DAVID BUFFINGTON, the Activities Director, MR. FRANK BARNES, the Music Director, MRS. JEAN CLOWER, the Orchestra Director, MRS. CHARLENE DUNN, the Choreographer, and ROSETTA GODBEHERE, the Student Director.

The response to the play was overwhelming, and standing ovations and full houses were an indication of the congratulations that go to the "One Big Family" that made "Fiddler on the Roof" a smashing SUCCESS.....

For the third straight year the Fountain Valley Barons have finished third in the Irvine League. Santa Ana Valley Falcons defeated the Barons 17 to 7 to complete their "Cinderella" season.

Edison and Estancia. The Barons bounced back to win 4 straight and made a strong challenge to finish in a three-way tie for first.

The Barons were given a break when the Magnolia Sentinels defeated the Edison Chargers 20 to 13. This meant that Santa Ana Valley was in undisputed first place with a record of 5 wins and 1 defeat. With Edison's record at 5 wins and 2 defeats and our record at 4 wins and 2 defeats we had a mathematical chance at advancing to the C.I.F. finals as a second place team by defeating Santa Ana Valley. But the Falcons played inspired football and handed the Barons their third defeat in nine games.

Barons chosen for the All-Irvine Football team were: Ron Stone (All-Irvine Lineman of the Year at Guard), Les Becher (First Team, Fullback), Brian Haymes (First Team, Tackle), Dale Peterson (First Team, Linebacker), Scott Napp (Second Team, Guard), and Doug Wolford (Second Team, Center).

The Varsity Aquabeast's seasons are beginning to be as repetitious and predictable as old westerns. The cast of villains always remains the same: the Corona del Mar Sea Kings and the Costa Mesa Mustangs. This year it was the same old song. (You can almost hear Bogart in the background saying, "Play it again, Sam.") The Irvine League Water Polo Championship is usually decided between the Barons, Sea Kings, and the Mustangs.
The Fountain Valley Baron

Varsity Waterpolo

team customarily enters the duel with the same stakes - league championship and contention for the C.I.F. crown, along with an undefeated league season - but the Barons are the ones to bite the dust. This year it was Corona del Mar over the Barons 8 to 2 and Costa Mesa over us 10 to 7. Bright spots of the 72-73 season was the leadership of Mike Eich (Captain), the quality performance of Clay Stuard (Most Valuable Player), and the improved ability of Dan Luttrell (Most Improved Player).

Varsity Cross Country

Although their record may seem to show otherwise, the Fountain Valley Cross Country Team had a more successful season than last. Coach Bill Thompson, who left a winning team at Magnolia last year to come to Fountain Valley, brought the Barons much closer to victory this year evidenced by the close scores. In four of the seven league meets only one to six points separated the Barons from the opposition.

The primary reason for the defeats this year was lack of team depth and the inconsistency of the last four Baron runners. In the four league meets when the team lost by close scores or tied, they placed three runners in the top five but received little backup. Perhaps these losses can be attributed to the fact that the team received little or no support from the student body. How many times have you heard the pepsters yell at football games that the team couldn't win without YOUR support? Perhaps for this reason, Ron Clarke, world record holder in many distance events, dubbed long distance runners as "the Lonely Breed."

Coach Thompson's teams gained a tremendous amount of experience this year and should be one of the teams to beat next year as four lettermen will be returning along with the members of the winning Junior Varsity and Frosh/Soph teams.

The Barons lost only two games in Irvine League play, but both of those were one point losses to League Champions Corona del Mar. Going to CIF AAAA playoffs, the Varsity Roundballers faced the St. Anthony Saints in the first round. The Angelus League Champions came into the game with a record of 17 and 7 and no player over 6'3" starting. The game was played at Long Beach City College before a partisan St. Anthony crowd. It was apparent that the Saints intended to stall as long as possible against the taller Barons, finally gaining a 32 to 28 victory. The Barons led the Irvine League in defense. The game average came to 56 points per game (ppg) for the Barons and 43 ppg for opponents. Earning ALL-IRVINE LEAGUE honors were senior Scott Reider (6'11"), with an 11.8 ppg, and junior Dan Malane (6'4"), with an 11.5 ppg. Junior Tim Hill (6'5") received second team ALL-IRVINE LEAGUE recognition averaging 11.3 points a game. Scott Reider and Dan Malane also gained second team recognition on the ALL-ORANGE COUNTY TEAM.

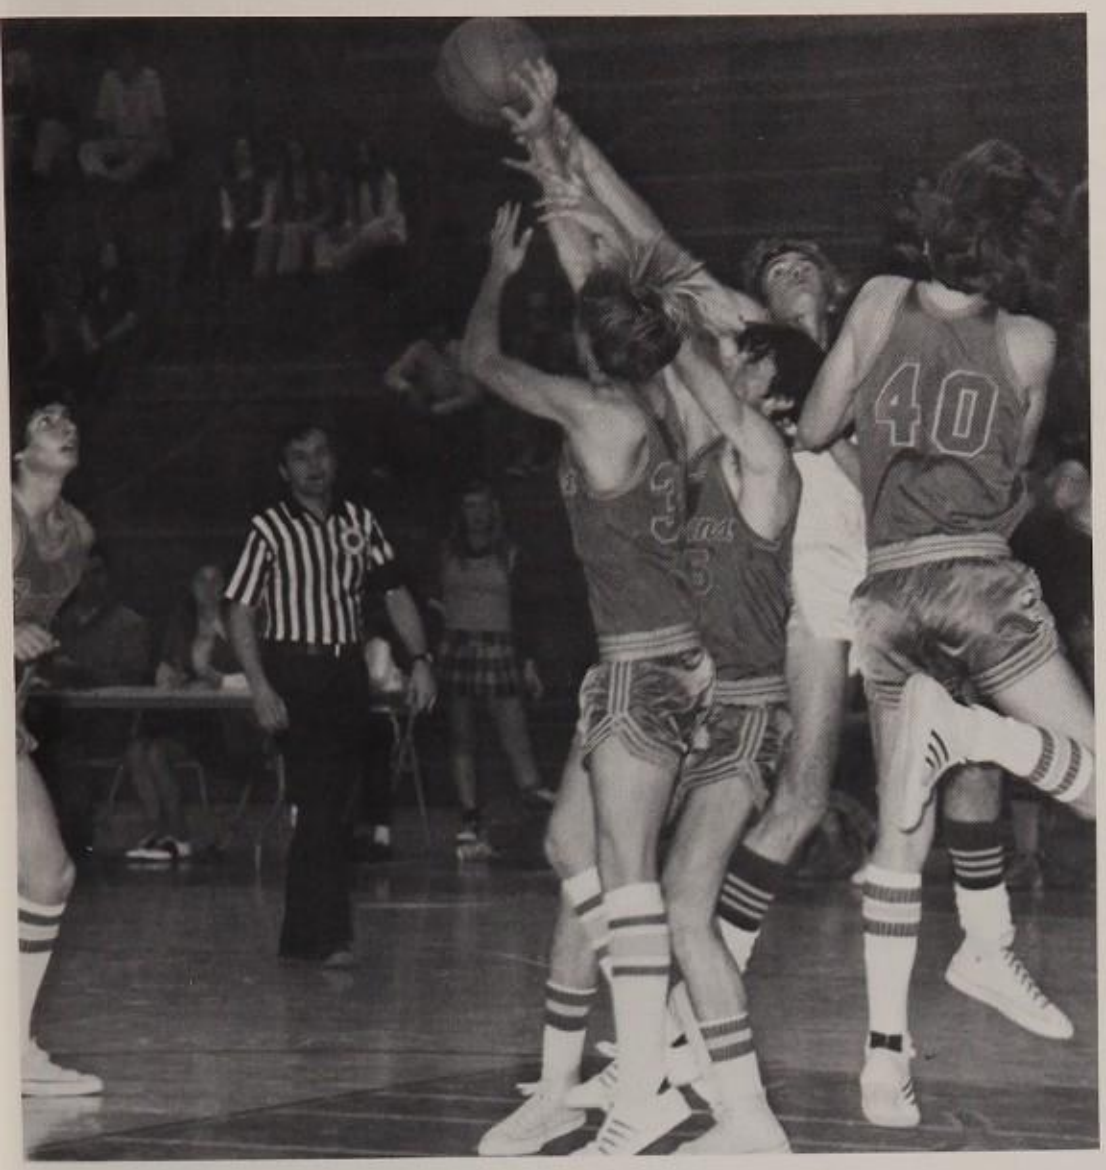
Junior Varsity



definitely gave the fans an exciting season this year. Seven games were decided by one basket in the last six seconds - the first four lost by Fountain Valley and the last three won by FV. The team finished strong by winning all six of its remaining games. This outstanding finish earned the team second place in the Irvine League and a 15 and 9 overall record. The fine play of Steve Dorsett, Jeff Jolley, John Lodestein, Tim Carver and Jerry Jolley; and the back-up support of Gus Gentile and Chuck Eppelheimer made for a strong team and is definitely going to make another tough varsity team next year.

Congratulations to all twleve boys on a fine season.

The 1972-1973 season was an outstanding year for the Baron

freshmen

Team. Although they placed second in the Irvine League they ended up with the best over all record ever at 19 wins and only 4 losses. The team was characterized by a well-balanced attack, full court press, and a tenacious man-to-man defense. Standouts for the season were Steve Burns, Phil Dunkelberger, Paul Laux, Richard Valbuena, Rami Villarreal, Rick Woolard, and Jeff Yarington. All of these players showed outstanding potential. Other players to watch for in coming seasons are Doug Buckley, Wayne Crossley, Damian Mendoza, John Power, and Todd Southwick. Each and every player contributed to the winning season and should make the future bright for Fountain Valley High Basketball.

League play began with an exciting 57-45 conquest of pre-season favorite Edison. Remaining games were less inspired, though the

sophomore

team came through with a winning 12-10 season. Eight of the ten losses came in league play with 5 of those by a margin of only 5 or less points. Forward Doug Zeissner led the team in scoring and rebounding. Not far behind, with some great plays & leadership ability was John McGovern. Helping the Barons win their last 3 out of 4 games was the immense improvement of Greg Miller & Steve Foster.

SOCCER

underwent many changes this year. We were put into a league with other new teams to make up the Orange County League. The Baron team had great aspirations but unfortunately lost a few key members. Pulling the Barons through the season was the offensive power of Scott Young and the defensive plays of goalie Bill Harden. The Varsity and Junior Varsity teams are combined into one unit. The Varsity is picked on a weekly basis which depends on the outcome of the previous week's practice. The team will only lose a few players to graduation. With the added experience the Baron Soccer team should come back a strong contender next year.

Aquatics has always been a strong point of the Irvine League. Once again the League was well balanced as Los Alamitos, Costa Mesa, and Fountain Valley competed in a three way struggle for first place. With several returning lettermen, the team had a strong chance of taking the League Championship this year.

The Baron Varsity Baseball team is looking forward to a fine Spring season in 1973. With eight returning lettermen and one transfer letterman, the squad is dominated by experienced seniors. The pitching staff is headed by senior lettermen Joe Mauler and Roger Sailor. Junior Bob Pattison and Senior John Haddow round out the staff. Holding down the infield spots are senior Steve Deeter, a transfer from Huntington Beach High School, junior Dennis Tressler, Dave Bienek, and senior Bill Hatfield. Catching is handled by senior Clarence Austin. Outfield posts are manned by seniors Ray Eckles, Joe Pantalone, and Mike Johnson with some help from juniors Rick Tessier and Joe Valenti. This year there are three tennis teams: Varsity, Junior Varsity, and Frosh/Soph. Coached by Mr. Helmick, the varsity consists of the top eight players in the school, six of whom are returning lettermen. Varsity

tennis

has fared well in previous seasons with this year promising to be an exciting one. The teams to beat will be Corona del Mar and Estancia.
The JV team, consisting of the next eight players is also under the guidance of Coach Helmick. He believes that this year, our JV team can win the League title with the depth we have on this year's squad.
The Frosh/Soph is under the leadership of Coach Baker. The ranks of this team are filled by freshmen and a few sophomores. Although there is no league for Frosh/Soph play, Coach Baker has several tournaments throughout the county scheduled for these promising debutantes. These eight guys have great potential to make FV "number one" in a year or two.

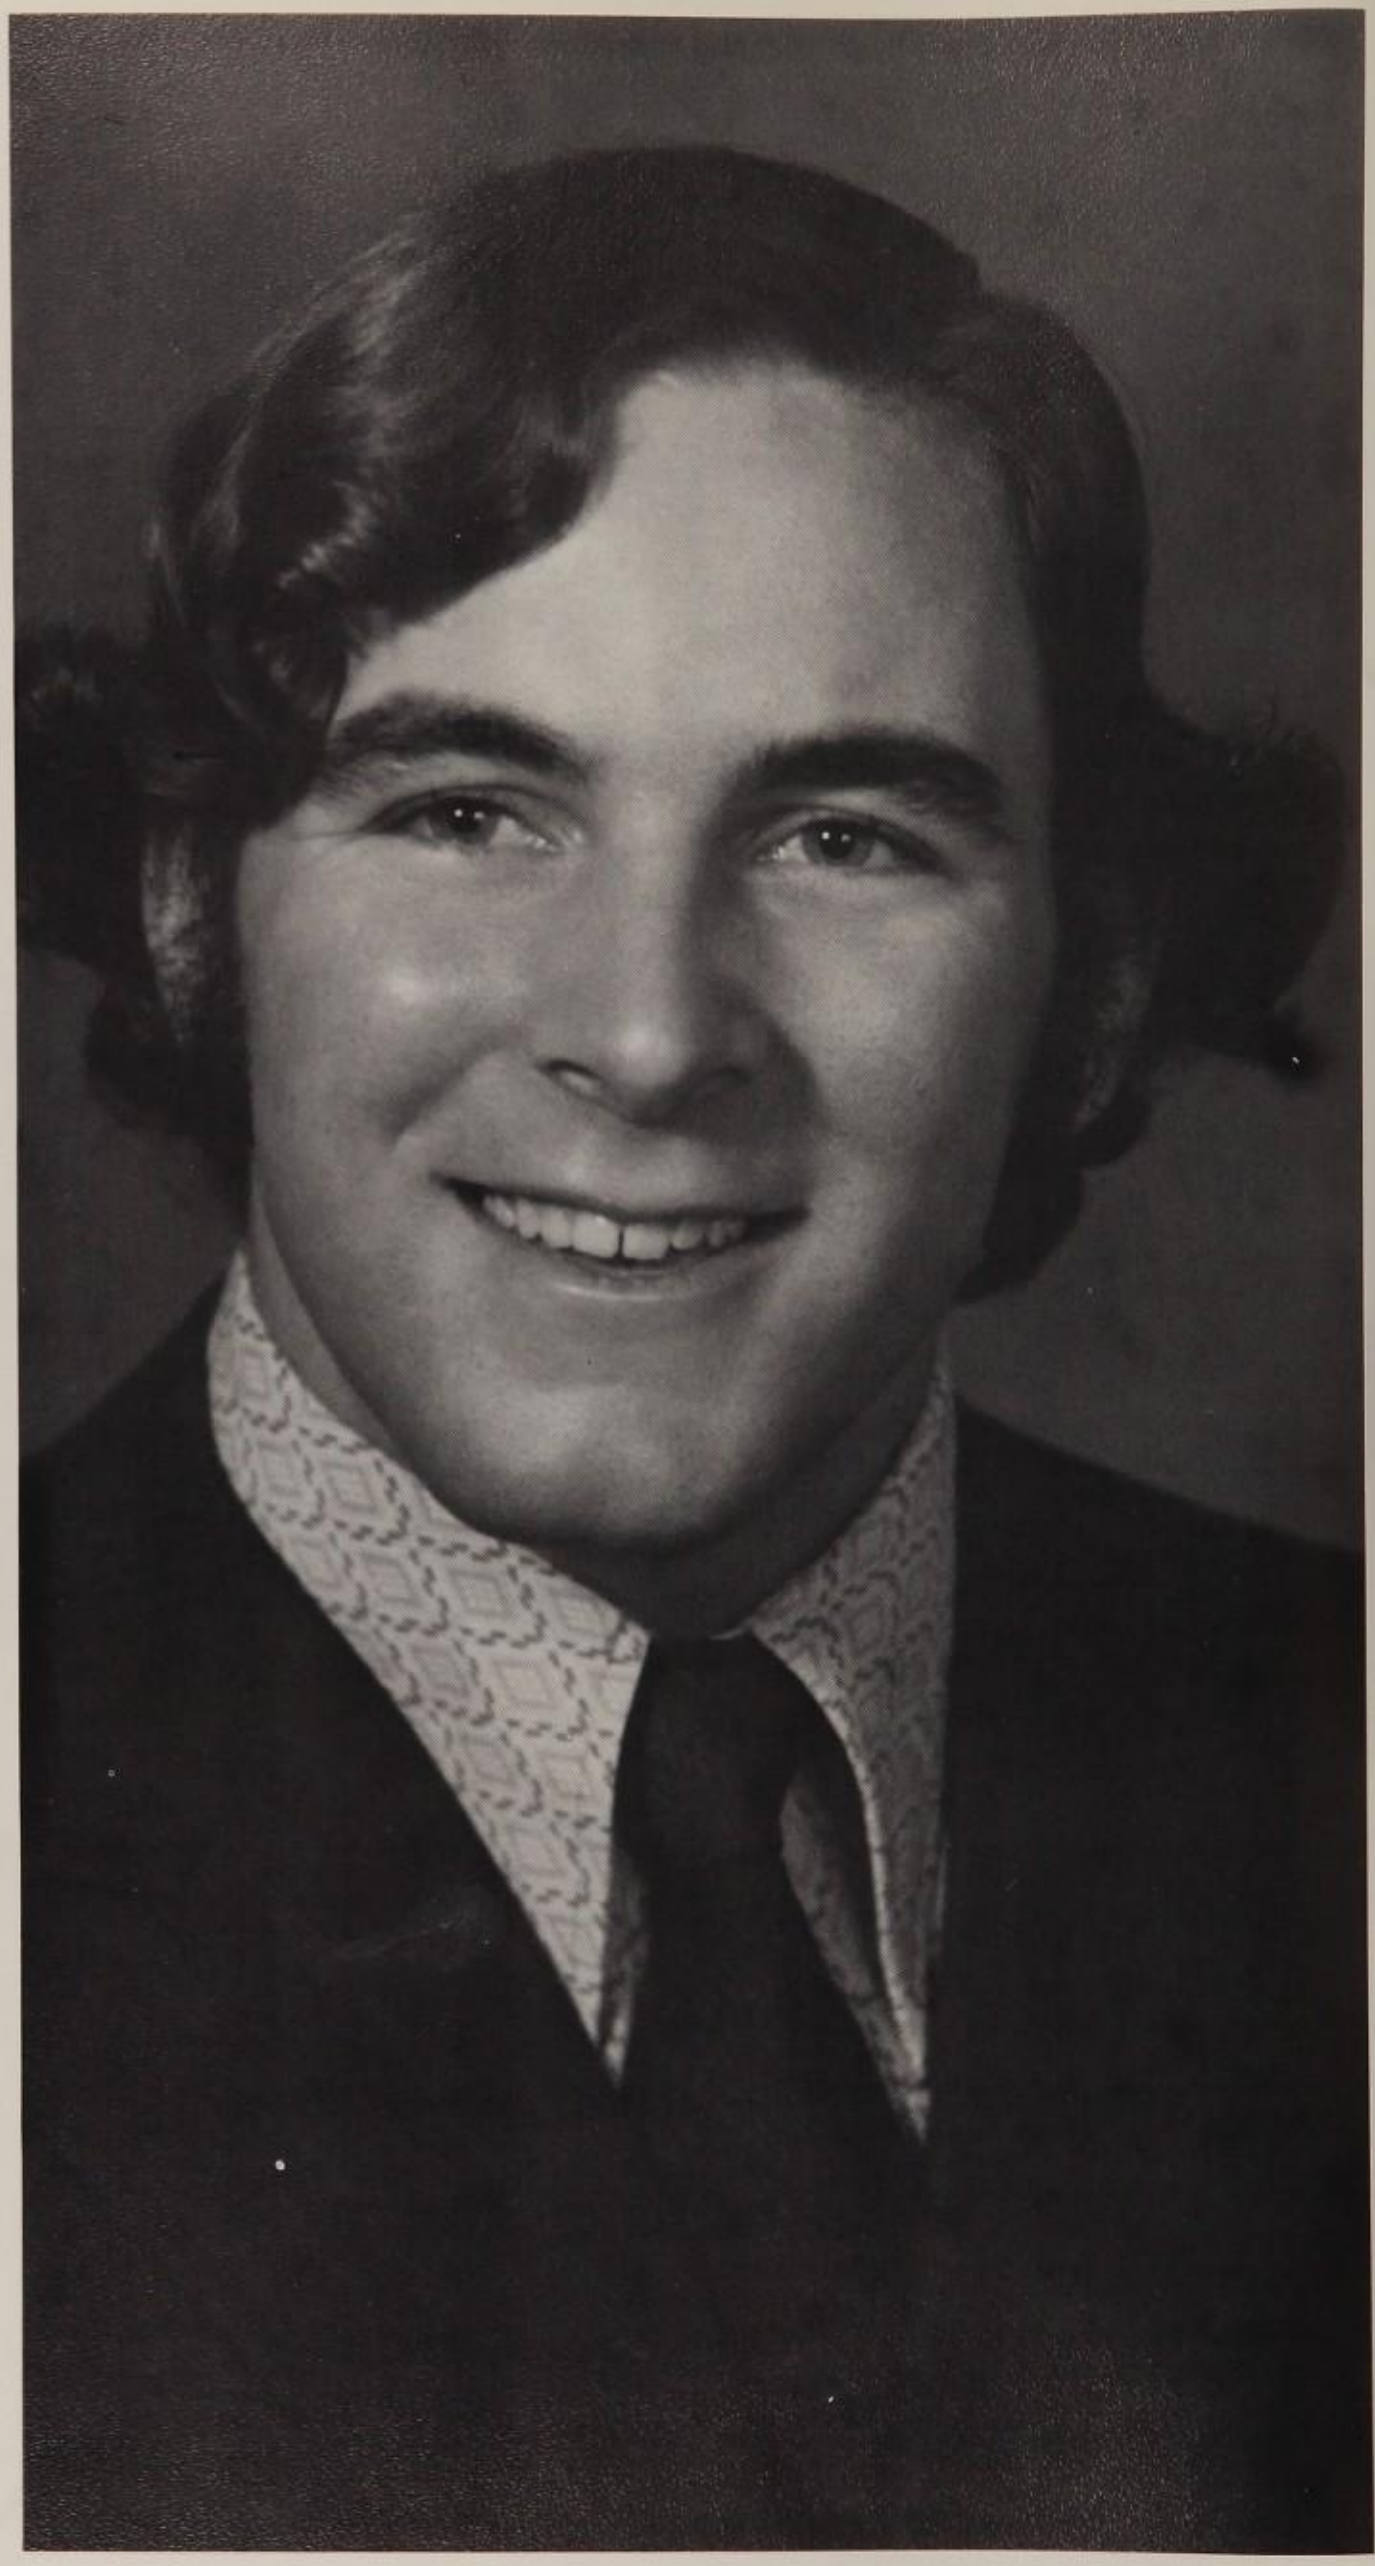
Accumulated a 3.8 grade point average ... twenty-first in class ranking.



For seven years she trained and worked. She spent more than 6 hours a day in the pool striving to be of champion caliber. And champion she is.

This summer, Shirley Babashoff traveled to Munich, Germany to earn three medals for herself and the United States in the 1972 Summer Olympics. She received a silver medal in the 200 meter freestyle and in the 100 meter freestyle. The award that won Shirley the most recognition was the gold medal that the team, with Shirley as anchorwoman, won in the 400 meter relay.

During her stay in the Olympic Village, Shirley resided with athletes from all over the world.

Shirley says that of all the meals she ate at the village, breakfast was the worst. "The pancakes were like rubber." Just the thing to start you out on a hard day of swimming.

The low point of the games was the Black September shooting. "We weren't really scared, but five of us girls pulled our mattresses into one room to keep one another company."

The village wasn't the only scenery she saw in Europe. In travels through Ireland and Denmark Shirley discovered beautiful country with "so much green you could get sick of it!"

Her trip to Germany was not Shirley's first visit abroad as an athlete. In 1971, she traveled to Russia to participate in the World Games.

All in all, Shirley feels that swimming in the Olympics has been a rewarding experience. She enjoys knowing that she earned her success, but says the idea that people will try to be her friend just because of what she has done is a disappointment.

Shirley does plan to compete in the 1973 World Games, but for the '76 Olympics, it's still too soon to tell.

GRADUATING

Well I think it's fine building jumbo planes,
or taking a ride on a cosmic train,
switch on summer from a slot machine,
yes get what you want to, if you want,
'cause you can get anything.
I know we've come a long way, we're changing day to day,
but tell me, where do the children play?
Well you've cracked the sky, scrapers fill the air,
but will you keep on building higher
'till there's no more room up there?
Will you make us laugh, will you make us cry,
will you tell us when to live,
will you tell us when to die?
I know we've come a long way, we're changing day to day,
But tell me, where do the children play?

FRIENDS

Whispering wind came uninvited
Looking for somewhere else to go
Here is a lamp I've left unlighted
Aren't you someone I should know
Memory's flame is soon ignited
Lighting my lamp with amber glow
Quietly friends are reunited
Singing a song of long ago
Younger than always time descended
Bringing me brand new seeds to sow
Now that they've been a long time planted
What must I do to help them grow
If it had been as I intended
I wouldn't have the peace I know
Loving the people I've befriended
And singing a song of long ago
Carole King

Do people have a tendency to jump on you?
Does your group have more cavities than theirs?
Do all the hippies seem to get the jump on you?
Do you sleep alone while others sleep in pairs?
Well, there's no need to complain,
We'll eliminate your pain.
We can neutralize the brain
You'll feel just fine, now!
Buy a big bright green pleasure machine.
You better hurry up and order one.
Our limited supply is very nearly gone!

I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life ...
There are places I'll remember
All my life
Though some have changed
Some forever, not for better
Some have gone
And some remain
All these places have their moments
With lovers and friends
I still can recall
Some are dead and some are living
In my life
I've loved them all.
Lennon/McCartney

won't you stop
and remember me?

Time it was
And what a time it was
It was . . .
A time of innocence,
A time of confidences.
Long ago . . .

Preserve yout memories:
They're all that's left you.

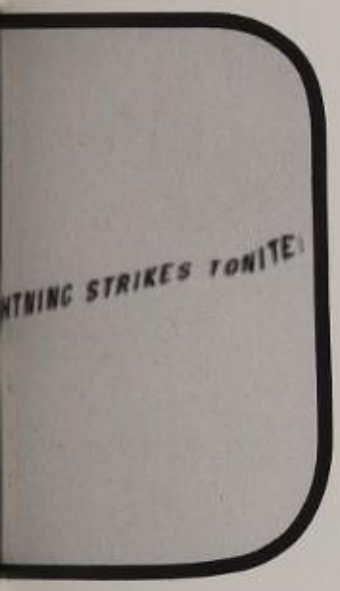
time in a tapestry



seasons change with the scenery

Silent sunlight, welcome in
There is work I must now begin
All my dreams have blown away
And the children wait to play
They'll soon remember things to do
When the heart is young
And the sky is blue
Morning songbird, sing away
Lend a tune to another day
Bring your wings and choose a roof
We'll soon remember if you do
When all things were tall
And our friends were small
And the world was new.

Cat Stevens

Time
Is tapping on my forehead,
Hanging from my mirror,
Rattling the teacups,
And I wonder ...

Hang onto your hopes my friend.
That's an easy thing to say,
But if your hopes should pass away
Simply pretend that you can build them again.
Look around,
The grass is high,
The fields are ripe,
It's the springtime of my life.

PISCHEL YEARBOOKS, INC.

. . . a gift from a handful of students to the many hands of FVHS . . . created with hard work and a lot of "gritching" . . . a tapestry woven from the many events of '72-'73: the last Apollo flight . . . POW's come home . . . Nixon's visit to China . . . four more years . . . the Watergate case . . . Henry Kissinger catches the public eye . . . Frazier the sensuous lion . . . meat prices double . . . green, red and blue nail polish is the rage . . . back to the 40's styles . . . plazzo pants and Eisenhower jackets . . . clogs, platforms, stacked heels . . . the "Godfather" surpasses "Gone with the Wind" as a money maker in one year . . . Jonathan Livingston Seagull captures the hearts and imagination of the people . . . Olga Korbut: the sweetheart of the Summer Olympics . . . Mark Spitz makes a clean sweep with 7 gold medals . . . 18-year-olds vote in the national election . . . Indians make a stand at Wounded Knee . . . the draft is dropped . . . the death of Truman and Johnson leave no ex-presidents alive . . . closer to home, seniors lost their parking places, teachers gained a parking lot . . . a new student government was put into effect . . . student selection of classes . . . Shirley Babashoff brings home a gold medal . . . FVHS population explodes . . . another bond election fails . . . "keep on truckin" . . . the van craze . . . "today is the first day of the rest of your life" . . . every body needs milk . . . try it, you'll like it . . . . "the wild geese do not intend to cast their reflection, the water has no mind to receive their image" . . . on the other hand, the yearbook staff has worked hard to catch a part of everyone's reflection . . . many people were indispensable . . . Mr. Buffington . . . Terry Haymond . . . Hall's Photography Studio - especially Mr. Ewers . . . thanks go to Dave Carter, Vickie Bradley and Ed Jennings for their special effort . . . especially appreciated are the teachers, coaches and administrators who cared enough to be patient, informative and a pleasure to work with . . . . as a storyteller accumulates his tales over many times and places, so did this year's Raconteur . . . the place was our campus . . . the time, now . . . the subject, YOU! . . . we hope this tapestry is one you can not only feel and see, but one you can hang onto and remember with . . . at any convenient time . . . for many years to come . . .

editor's note: a very special thanks go to the poets whose song lyrics I have used throughout this book. Their timely messages and imagery gave a depth and meaning which would have been totally impossible without their help. Carole King's "Tapestry" laid the foundations; Cat Stevens, Simon and Garfunkel, John Lennon and Paul McCartney gave greater dimension and color to it. I thank these talented artists for the pleasure of reading and compiling their works, but I would never be able to express enough appreciation for all that their words and ideas have contributed in the making of Raconteur 1973.
